TRAIL CLOSURE LIMITS

SUGGESTED ALTERNATE TRAIL ROUTE DURING FALLS ACCESS TRAIL CLOSURE

Falls Access Trail will be closed for your safety during construction of a falls observation deck and trail improvements. It is expected the Falls will be inaccessible to the public from January 1, 2008 thru Fall 2008. For a similar experience of natural beauty and trail difficulty, we recommend the Seven Pools Loop Trail as an alternate during these improvements. Thank you for your patience.
